## How can your charitable gift make the greatest positive impact?

A donation to the Junior League of Omaha is an investment in our community.

Since 1919, Junior League of Omaha members have served our city by effectively training volunteers, providing leadership, raising funds and developing programs and services that make our community a better place to live, work and raise a family.

### It Takes Time & Money

Since its start, the Junior League of Omaha has donated over \$1.6 million dollars and more than 1.2 million volunteer hours to our community.

The impact of the Junior League is substantial, but we need your help. Your donation will be used to assist in funding programs and training volunteers to develop programs and services designed to accommodate the underserved needs in our city.
